I understand that my waiver of the 50% Husband and Wife Annuity is not effective without the written consent, witnessed by a Notary Public, of the person to whom I am legally married, and that I may revoke my waiver at any time within the 90-day period before the benefit becomes payable. **Part A** I swear that I am the legal spouse of the employee described above. I understand the Plan is obligated to pay retirement benefits of married participants in the form of a 50% Husband and Wife Annuity which would provide me with a monthly lifetime pension equal to 50% of the monthly pension payable to my spouse when living, if he or she dies before me. I also understand that my spouse has the right to waive this requirement if I consent to the waiver. I understand that the effect of the waiver is to cause me to give up this survivor protection and the pension paid to my spouse during his or her lifetime may be higher than if I had not consented to this waiver. Nevertheless, I hereby consent to the waiver of the 50% Husband and Wife Annuity and the election of \_\_\_\_\_ as the form of benefit payment to the employee.

**Part B** I understand further that my spouse may not name someone other than me as beneficiary to receive any benefit payable under the Plan in the event of my spouse's death unless I consent to the designated beneficiary or waive my right to do so. I therefore consent to the designation of \_\_\_\_\_ as beneficiary. Such designation may not be changed or revoked without my consent.

My consent is irrevocable unless my spouse revokes his or her waiver of the 50% Husband and Wife Annuity.

If you will receive part or all of your benefits as a lump sum (or monthly payments scheduled to cease in less than 10 years), that payment will be an "eligible rollover distribution". You may elect to have part or all of that distribution transferred directly to an Individual Retirement Account (IRA) or to another qualified retirement plan (if it accepts rollovers). If you choose not to have an eligible rollover distribution transferred directly to an IRA or other retirement plan, the Plan is required to withhold 20 percent of the payment for federal income taxes. This withholding does not increase your taxes, but will be credited against any income tax you owe. (For further information on direct rollovers and withholding, please read the Special Notice Regarding Plan Payments that the Plan has given you.)

If your benefit is more than \$500, you may choose to have only part of the payment directly rolled over, and to have the rest paid to you. Withholding will be taken out of any part that is not directly rolled over. If you want to have only part of your payment directly rolled over, please tell us the amount (at least \$500) that you would like to roll over.

If You Are An Employee Participant, Check A, B or C Below To Indicate Whether Or Not You Elect A Direct Rollover Of Your Pension Payment:
